## PREMIER DAHLIA GARDENS

George H. Swezey

HILLSIDE

59 MERTZ AVE.

NEW JERSEY

(Note Change of Address)

To our Dahlia Loving Friends—We are pleased to present our 1949 Listings of varieties of beauty and distinctiveness including Australian, Belgium and Holland introductions. They are capable of winning, in their classes, in any Dahlia Show. WE MAKE REPLACEMENTS FOR STOCK PURCHASED OF US IN 1948 IF IT FAILED TO GROW.

THE AGRICULTURE DEPARTMENT OF NEW JERSEY co-operates in inspecting all stock growing in our fields, later all shipments are certified by them and also by the United States Department of Agriculture.

NO TRANSACTION COMPLETE UNTIL YOU ARE SATISFIED.

---

### READ CAREFULLY

TERMS: Cash with order or 25% deposit, balance at shipping time. Retail orders over \$2.00 sent prepaid. In ordering green plants to be shipped further than 1st Zone, add 35 cents for SPECIAL DELIVERY to insure plants arriving in good growing condition. We pay all other charges.

SHIPMENTS: Roots, to June 1st. Plants, May 1st to June 1st. Rooted Cuttings, April 15th to June 1st.

GUARANTEE: All stock sent out in first class growing condition, guaranteed to be healthy and true to name and to grow if cared for on arrival and after planting and that all not proving such will be cheerfully replaced upon word from the purchaser. Our roots are field grown, in soil treated with Potash, for the production of exhibition blooms.

*Our square dealings have been commended by all*

ORDER EARLY to avoid disappointment, as orders are filled in rotation. The stock of some of the varieties is limited.

*The special collections represent unusual savings*

### Collections are Net

OUR GREEN PLANTS are grown so as to give the maximum of results equal or superior to root stock. This is only accomplished by the selection of healthy vigorous roots benched in a moderate heat that will enable us to take stocky base cuttings. Only a reasonable number of cuttings are taken and none used that are spindly. After cuttings are rooted and potted and begin to grow they are moved to cooler quarters and later shifted to larger pots; at this stage small tubers are beginning to form, assuring that clumps will be obtained at digging time; the plants are later hardened off in "outside quarters" so as to withstand shipping and be in condition for planting out. OUR PLANTS ARE SHIPPED FROM 3 INCH POTS.

---

### ROOTED CUTTINGS

Should you be interested in ROOTED CUTTINGS of any of the newer varieties, write us and we will advise if we have sufficient "Base Cuttings" to enable us to supply ROOTED CUTTINGS at one-third less than the cost of plants. Taken from the sand and wrapped and shipped in wet sphagnum moss we guarantee delivery in good condition and that they are true to name; here our responsibility ceases for proper facilities (cold-frames, good potting, soil and 3 and 4 inch pots) are needed and some knowledge required to give them the care essential to maintain their vitality and grow them to worth-while plants hardened off for outside planting.

WHERE STOCK WILL PERMIT AND VARIETIES LIST AT \$1.00 OR MORE, WE WILL SUPPLY ROOTED CUTTINGS AT ONE-THIRD LESS THAN PLANT PRICES.

## DAHLIA EXHIBITORS

Please read carefully. This information may be very helpful in enabling you to place your blooms in the proper Classes for judging.

We are following, in so far as possible, the color descriptions of Mr. Warren Maytrott's HORTICULTURAL COLOUR CHART and where possible give the types and color classes to assist you in making entries in the shows. Within a short time doubt and confusion will be avoided through the use of this chart in describing colors, and by consulting the AMERICAN DAHLIA SOCIETY OFFICIAL CLASSIFICATION OF DAHLIAS, before entering your blooms in shows.

The A.D.S. Executive Committee, 1948, approved to date—The list compiled by the Classification Committee: Dr. Edward McDade, Chairman, Mr. J. Louis Roberts, Mr. Conrad Frey, Mr. Lynn B. Dudley, and Mr. Warren W. Maytrott. The newer varieties are rapidly being classified by this committee and more helpful information will be available previous to the fall shows.

Don't fail to join the AMERICAN DAHLIA SOCIETY at once. It can be most helpful. Write Mr. Andrew J. Mulcahy, Secretary, Floral Park, L. I., N. Y., for details.
